Avalon is my 7 year old Asian tabby cat who has severe gum disease and needs two rotted teeth pulled. I adopted Avalon from his owner who could no longer care for him and was going to have him euthanized. I am working with him to overcome past issues of abuse and neglect. I shower him with love and devotion and slowly he is coming around. We love to spoon.

THANKS TO YOU he will be free from pain. I THANK YOU FROM THE BOTTOM OF MY HEART! Goddess bless you!
